

Congressman Pence commended Indiana Public Radio's Brian Beaver today:

**Brian,**

**I was disappointed to learn that you would be moving on from your long career in Indiana Public Radio.**

**I have long admired your tough professionalism and fair reporting. I have also appreciated your friendly, Hoosier demeanor.**

**While I wish you every success, I do regret that Indiana Public Radio and East Central Indiana will no longer have the benefit of your integrity and journalistic talent.**

**Most respectfully,  
U.S. Rep. Mike Pence (IN-6)**
